GARDEN SPONSORSHIPS

The Earthwise Gardens is at the core of everything we do, welcoming thousands of visitors a year. Garden Sponsorships allow you to become the exclusive sponsor of one of our thoughtfully designed theme gardens, where people of all ages come together to learn, explore, and connect with nature. Garden sponsors are acknowledged on interpretive signage installed at your selected theme garden area providing your organization with visible, values-aligned exposure in a beautiful garden environment.

Because the Earthwise Garden relies entirely on community support, your contribution has a direct and lasting impact, helping to sustain the garden, the programs, and the experiences that bring it to life year after year.

With only twelve theme-garden sponsorships available, choose the garden that reflects your organization's values and create a lasting impact in a space that inspires thousands each year. Or choose to be the presenting garden sponsor for our Delta or Agassiz locations and receive maximum exposure for your company while supporting Earthwise Society.

ANNUAL SPONSORSHIPS

From sponsoring a local family's 20-week Harvest Box subscription to supporting our Farm to Table Dinners, your contribution helps connect people with fresh, locally grown food while strengthening community engagement. Sponsors receive recognition through promotional materials, social media, our website, and event acknowledgements, providing valuable visibility while making a direct impact on the lives of local residents.

Businesses and individuals can also support unique community programs and events such as Garden Buddies, Tomato Fest, and Tree Sponsorships at the Agassiz location. These initiatives promote well-being, reduce social isolation, celebrate local agriculture, and enhance our gardens for future generations.

With sponsorship levels starting at just \$500, there are opportunities to align your support with causes you care about while enjoying special benefits, recognition, and meaningful connections to the communities we serve.
